our vision – "unity/community"

To become a visible community of Christ-like relationships that **prays** for each other, **serves** each other, **cares** for each other, while building bridges between our family and the community around us.

If you're visiting with us this morning, we're happy to have you here! Be sure to complete a Connection Card (found in the pew racks) and bring it to our **Welcome Center** in the lobby to pick up your gift. We also have a welcome packet for you that contains all the information on our church, our service times and activities, and the many groups meeting on and off our campus!

VISITATION MINISTRY

As you may have seen in your e-mail, Pastor Jim is looking for a few good men...and women! We'd like to establish a visitation team that pays home visits to folks who've been guests at MBC services and are requesting same. No evangelism training is necessary – simply allow the Holy Spirit to work through you as you enjoy fellowship with people who've visited the church! If interested, please **fill out an events sign-up sheet** or see Pastor Jim.

SERVICE CDs

A reminder – you can order audio copies of the morning's service by filling out a pew envelope and dropping it in the offering plate or boxes where events sign-up sheets are found. Cost is \$2.00 per CD.

BAPTISMS

Our baptisms for March will be Sunday the 28th. If you desire to follow the Lord in baptism, contact the church office or **sign up on an events sheet**.

NEIGHBORHOOD OUTREACH

On Saturday, March 20th, we'll be setting up a couple tents down at Woodglen Park (down the street on Medina) from 8am to noon with free water bottles and free photos for the kids playing soccer/football and their families. If you'd like to help out by (wo)manning the table and "chatting up the locals," please **fill out an events sign-up sheet** or contact Pastor James. Be a smiling, friendly face as we seek to build bridges with our community!

WEDNESDAY NIGHT PRAYER MEETING

If you're available Wednesday evenings, join the group that gathers in B-6 to uplift this church, its congregation, the needs of our community, requests on the prayer chain, and anything God lays on the heart. All are welcome!

YOUR RESPONSES ARE SAFE

You've likely received your 2010 Census form. One of the shortest census forms in history, it asks 10 questions and takes about 10 minutes to complete. It's easy, important and safe, and your participation is vital. By law, **the U.S. Census Bureau cannot share an individual's personal information with anyone**, including other federal agencies and law enforcement entities. Please complete and mail back your form and encourage your family, friends and neighbors to do the same. For more information, visit www.2010census.gov.

and SPEAKING OF YOUR PERSONAL INFORMATION...

MBC has a new church management software called Servant Keeper; it's a new database that helps us keep track of our people, our finances, etc. The database is very extensive and can provide us with a lot of great information, helping us to be aware of various details and trends within our church body. But in order to make the most of this new tool, we need your help! A form will soon be made available to attendees, and we hope you'll fill it out for you and each member of your family. You'll be helping us "fill in the blanks" by providing us with details that will make our congregational records more efficient and complete, ultimately enabling us to serve you better. Be on the lookout!
